The distribution of this financial services guide (FSG) is authorised by the Licensee.

#### Purpose of this document

The purpose of this FSG is to assist you in deciding whether to use our services by giving you information about the type of services we provide, how we are remunerated and your rights when you have a complaint about the services we provide to you.

We recommend that you read and understand this FSG before you engage us to provide you with any financial services. If you have any questions, please contact us.

#### Not Independent

Because:

- we receive commissions on the sale of life risk insurance products that are not rebated in full to clients; and
- we may recommend financial products issued by us or our associates which are referred to as "in house products"

we are not able to refer to ourselves or our advice as 'independent,' 'impartial' or 'unbiased.'

#### Additional documents you may receive from us

When we provide you with financial planning services you may receive:

- a Statement of Advice (**SoA**) or Record of Advice (**RoA**). These documents set out the advice we provide to you. If you have not been provided with the ROA, you may request a copy of it free of charge at any time within 7 years after the advice was provided to you, by contacting us;
- a Product Disclosure Statement (**PDS**) which provides details about the significant risks and benefits, costs, charges, and other significant characteristics or features of the products we have recommended.

If you enter into an ongoing fee arrangement with us, we will ask you to renew the arrangement and consent to the deduction of ongoing fees from your account each year.

#### Fees

All fees are payable to WCA Wealth Management Pty Ltd. Anthony Bazzana and Robyn Patch and are owners of the shares on issue in WCA Wealth Management and share in the profits that WCA Wealth Management makes.

All fees quoted are inclusive of GST.

#### Personal advice

A Personal advice fee may be either a fixed fee or based on the amount of hours it takes us to prepare and provide you with personal advice. For example, a plan-based fee usually starts from \$7,700.

#### Personal advice – Aged Care

Aged care plan-based fee usually starts from \$8,800.

#### **One-off strategic advice**

If you are not receiving ongoing services from us and wish to engage us to provide once-off strategic or placement advice only, you may be charged an hourly rate of \$412.50 per hour, with a minimum of \$1,650.

#### **Ongoing fees**

Our ongoing fees depend on the ongoing service that we provide to you. They are typically charged as a percentage based on the value of your portfolio and are paid monthly, annually, or otherwise by agreement. The amount of ongoing fees will depend on your total assets under management and other factors such as the complexity of your portfolio, the regularity of reviews and any additional services we are providing.

The ongoing fee arrangement will be agreed with you in our ongoing service agreement. The below table provides a guide as to how these fees are charged.

Value of portfolio	Ongoing advice service fee
\$0 - \$500,000	1.10% per annum
\$500,001 - \$750,000	0.88% per annum
\$750,001 - \$1,000,000	0.77% per annum
\$1,000,001 - \$2,000,000	0.66% per annum
\$2,000,001 +	0.55% per annum

The ongoing fee arrangement is calculated on a sliding scale basis. For example, for an investment portfolio of \$650,000 the ongoing fee would be:

\$500,000 @ 1.1% = \$5,500 \$150,000 @ 0.88% = \$1,320 Total = \$6,820 per annum

You also have the option of a fixed price ongoing fee arrangement. This can be reviewed at your request.

#### Managed portfolio investment management fees

We may charge you a fee in relation to selected managed portfolios that form part of your investment strategy. This investment management fee is calculated as a percentage of your managed portfolio calculated daily and deducted from your cash account monthly in arrears. Full details of the fee will be detailed in your SoA or RoA and will only be deducted with your consent. If you do not provide consent, you will not be able to invest via the managed portfolio.

The investment management fee is paid in full to HUB24 and used to remunerate the portfolio manager for its services in relation to the fund and to meet the costs of the asset consulting and investment management services associated with the portfolio.

In addition to the investment management fee, there may be indirect costs associated with the underlying investments held within the managed portfolio.

#### Insurance commissions

We receive commission when you take out an insurance policy we recommend.

- Some insurers pay upfront commission of up to 66% and ongoing annual commission of up to 22% (inc. GST); and
- Some insurers pay a "level" commission whereby both the initial and ongoing commission are paid up to a rate of 31% (inc. GST) per annum.

You will be advised of the exact amount of these commissions in the SoA or RoA.

#### **Other Benefits**
